

PARK PERMIT APPLICATION REGULATIONS

The City of Harrisburg reserves the right to reject a Permit Application if it believes the event or activity will unreasonably interfere with other existing or planned activities, including the normal conduct and use of City parks and recreational facilities.

By submitting this Park Permit Application, the applicant is certifying that no expense will be borne by the City of Harrisburg in connection with the event or activity described in this Application for which the City will not be fully reimbursed. Further, the applicant certifies that the City is not liable or responsible for any cost, effect, error, omission or loss of any kind associated with the event or activity listed herein, and that the City is fully indemnified and held harmless from any claims or judgments arising from such. All park permit activities must be fully insured by the applicant with the City named as an "Additional Insured." All facilities are rented in "as is" condition.

The extensive volume of requests for utilization of city-owned parks and recreational facilities necessitates a proper format for the scheduling of such use. Further, past experience involving damage, loss, and failure to reimburse or pay validly due fees and costs to the city by various users has necessitated the establishment of user rules and regulations for such facilities. Insurance, liability, legal, and safety concerns also require certain rules to be in place. Current requirements and stipulations governing the use of city-owned parks and recreational facilities are contained generally in this Park Permit Application. The city reserves the right to: set special conditions with regard to any planned use, require payment in advance or deny any Park Permit Application for failure to meet any of the stated conditions or because of past adverse experience involving either the type of planned use or the applicant. Resident fees are specifically for residents or business owners in the City of Harrisburg's Corporate limits. All others will be assessed non-resident fees. **There are no waivers or reductions of any fees for any park, however Parks Partnership members receive one half-price fee reduction per year. For more information call Joyce Bolden at 233-7462.**

Please submit a Check or Money Order payable to "City Treasurer". Any check returned for insufficient funds or on which payment has been stopped will result in automatic cancellation of the Park Permit. Please mail fees, Park Permit Application, Park Permit Event Questionnaire Information, waiver, and needed Proof of Insurance to Department of Parks and Recreation, Suite 401, 10 N. Second Street, Harrisburg, PA 17101.
